Corporate PAWtnership Program

56,000+ LIVES SAVED SINCE 2011

San Antonio Pets Alive! is a 501(c)3 rescue organization that provides the programs and services needed to eliminate the killing of at-risk animals due to lack of space, adopter or foster.

About San Antonio Pets Alive!

For nearly 10 years, San Antonio Pets Alive! (SAPA!) is one of the leading lifesavers in the San Antonio area. Our lifesaving team works tirelessly, all day, every day, to save as many cats and dogs as possible from the city municipal shelter's euthanasia list. We then utilize our local and national resources to find adopters, fosters and other rescue partners outside of San Antonio. We save approximately 5,000 at-risk animals each year.

Corporate PAWtners

Our Corporate PAWtnership Program provides a great opportunity to market your company while helping to save the lives of at-risk dogs and cats in our community! By becoming a Corporate PAWtner, you are enhancing your brand while also directly impacting vulnerable animals in our community.
