

Thank you for picking up your new SAPA foster!
You are truly making a difference!

Now What? Here Are Your First Steps!

- 1. Review your foster's paperwork.** This will help you get to know your foster. This paperwork is especially important and needs to come with the animal to any medical appointments, events, meet and greets, and final adoption meeting.
- 2. Check the email you registered with us.** You should have received our foster manual. It is important to read through and become familiar with our program. If you have not received this email, please contact us at foster@sanantoniopetsalive.org
- 3. Join our Facebook group:** San Antonio Pets Alive Foster Forum. The purpose of this page is to provide you additional support and information regarding upcoming opportunities.
- 4. Make a note of the following contact emails.** These emails will enable you to contact our various departments and teams to ensure the quality care and marketing of your foster dog or cat.

FOSTER CONTACTS
